\*5244 WOY WOY LOCAL COURT—Mr Paul Lynch asked the Attorney General—

- (1) What were the sittings of the Local Court at Woy Woy in the period from 1 January 2016 to 31 December 2016?
- (2) What have the sittings of the Local Court at Woy Woy been for the period from 1 January 2017 to date (as at 4 April 2017)?
- (3) What sittings are proposed for the Local Court at Woy Woy for the remainder of 2017?

Answer—

I am advised The Chief Magistrate of the Local Court is responsible for determining the sitting and circuit arrangements of the Local Court.

For the period 1 January 2016 to 3 March 2017, Woy Woy Local Court sat every Tuesday, with the exception of 27 December 2016 and 3 January 2017 due to the Christmas break.

From 6 March 2017, Woy Woy Local Court sittings transferred to Gosford Local Court. Woy Woy Court now hosts sittings of the Children's Court 17 days per month. The small claims assessor sits at Woy Woy one day per month.

Details of local court sittings are available at [www.localcourt.justice.nsw.gov.au](http://www.localcourt.justice.nsw.gov.au).

\*5245 YEAR 7 SCHOOL VACCINATION PROGRAM—Ms Sonia Hornery asked the Minister for Health, and Minister for Medical Research—

Answer—

Callaghan Campus Wallsend High School

- 87 per cent of students received dose one of the human papillomavirus (HPV) vaccination
- 87 per cent of students received the diphtheria-tetanus-pertussis vaccination.
- 80 per cent of students received the varicella vaccination.

Callaghan Campus Waratah High School

- 71 per cent of students received dose one of the HPV vaccination
- 73 per cent of students received the diphtheria-tetanus-pertussis vaccination.
- 64 per cent of students received the varicella vaccination.

Glendale High School

- 89 per cent of students received dose one of the HPV vaccination
- 87 per cent of students received the diphtheria-tetanus-pertussis vaccination.
- 78 per cent of students received the varicella vaccination.

The HPV course may be completed during the 2017 school year, hence final data on three-dose uptake for this vaccine course is not yet available.

I note that the lower percentage of students receiving the varicella vaccine compared to HPV and diphtheria-pertussis-tetanus is expected as only children who did not receive varicella vaccine in infancy are recommended to have a dose in Year 7.

- (3) Can the Minister guarantee that employment contracts will be appealing and fair to workers?

Answer—

LEGISLATIVE ASSEMBLY QUESTIONS AND ANSWERS  
Tuesday 9 May 2017

I am advised:

(1) As part of the roll-out of the NDIS, every disability employee- ongoing, temporary or casual- who transfers to the non-government sector has their job guaranteed.

For ongoing staff this guarantee is for two years, and up to six months for temporary and casual staff. No employee will be made redundant in this process. Staff who do not transfer to the non-government sector will be supported to find employment opportunities within the NSW Public Sector and will be prioritised by hiring managers as part of the NO IS Public Sector Mobility Pathway.

\*5260 SHERIFF'S OFFICERS AT THE DOWNING CENTRE—Mr Paul Lynch asked the Attorney General—

How many Sheriff's Officers work at the Downing Centre?

Answer—

I am advised The Sheriff's Office provides a range of security services to courts which are dependent on a number of factors including the location and size of the court, jurisdiction, regularity of sittings and the security environment.

Assessments relating to staffing requirements are made regularly and are dependent on the size of the court list, any particular court matters and the types of matters being heard that day, such as AVO, Children's Court and list days.

Where deemed necessary, the assistance of the NSW Police is obtained to provide an additional layer of security to courts.

Given these circumstances, it is not possible to determine how many Sheriff's officers work at the Downing Centre on a particular day.
