(Paper No. 48)

- 1091 STAMP DUTY CONCESSION—Mr Richard Amery to ask the Treasurer—
- *1092 JOHN NESS PROTESTANT FEDERATION GIRLS HOME—Ms Linda Burney asked the Minister for Family and Community Services, and Minister for Women—
- (1) Who was responsible for the care and wellbeing of children accommodated at the former John Ness Protestant Federation Girls Home situated at 50 Garnet Street, Dulwich Hill that was established in 1921 and operated until the building was sold in 1983;
 - (2) If these children were Wards of the State, and it cannot be determined exactly who or what organisation was responsible for their care and well being, does this not mean that the NSW Government is ultimately responsible?

Answer—

- (1) The John Ness Protestant Federation Girls Home was not operated by the NSW Government, and the Department of Family and Community Services does not hold records concerning the administration of the home or the children who may have been accommodated there.
Publicly available records suggest that the home was operated under the authority of an organisation known as the NSW Protestant Federation. The Department of Family and Community Services does not hold further information about this organisation.
 - (2) Under the practices of the 1920s and 1930s, children may have been placed in the home either voluntarily by their parents or by the courts with no involvement or oversight of the placement by NSW Government authorities. It is not known whether children at the home were wards of the State during the time of their placement, and without this information it cannot be determined whether the NSW Government held responsibility for them.

- 1094 BUS SERVICES PATRONAGE—Ms Sonia Hornery to ask the Minister for Transport—
- *1095 VIOLENCE ON TRAIN STATIONS—Ms Sonia Hornery asked the Minister for Transport—
- (1) Has the Newcastle and Hunter Region dominated the list of the state's most violent train stations by rate of incidents per passenger and is Waratah Station the worst station in the Hunter?
 - (2) Will the Minister ensure that visible, uniformed staff patrol all railway stations each and every day, as well as all trains, to improve community confidence in public transport in the region?

Answer—

I am advised:

- (1) and (2) BOCSAR recently concluded that the recorded rates of personal offences on the NSW rail system are generally very low. Transit Officers are deployed to the areas and at the times they are most needed based on gathered intelligence. In May 2011, RailCorp increased the presence of Transit Officers in the Central Coast and Hunter areas from 7 on night shift on Thursdays, Fridays, Saturdays and Sundays to 24 patrolling trains and stations 24 hours per day, 7 days per week.

- (1) What work has been carried out to plan for this upgrade?
- (2) When will design work be completed?

- (5) What disruption to the use of train and bus services is expected during construction?
- (6) What opportunities are there to bring forward the Edgecliff upgrade?
- (7) When will residents, shoppers and visitors be able to use a fully accessible transport facility in Edgecliff?

Answer—

I am advised:

- (1) to (7) RailCorp and Transport for NSW are currently reviewing station upgrade priorities under the Easy Access Program. Once this review is complete, the timing of the future upgrade of Edgecliff Station can be determined.

Preliminary design work has been completed for Edgecliff Station under the Easy Access Program, with a review of design options to occur in the future.

With respect to Crown Land leased by the Paddington Bowling Club:

- (1) What action has been taken in transferring the Club's Perpetual Lease to a Special Lease since 2009?

LEGISLATIVE ASSEMBLY QUESTIONS AND ANSWERS
Friday 11 November 2011

- (2) What is the current rent charged on this lease?
- (3) What do the current lease conditions specify as the permitted use of this land?
- (4) What protections have been or will be included in the lease to ensure that this land remains used for a non-profit recreation club, and not for commercial activity?
- (5) What action has been taken to ensure public and vehicle access to Trumper Park, Paddington Community Garden and The Palms Tennis Courts adjacent to the club?
- (6) What further action does the Government intend to take to ensure this Crown Land is used for approved purposes?

Answer—

- (1) Paddington Bowling Club Limited's perpetual lease was surrendered on 1 December 2010. It was replaced by a new 50-year lease granted under the provisions of the Crown Lands Act 1989.
 - (2) Although the market rent has been determined at \$52,000 per annum, a 50% rebate applies because the holder qualifies as a community service, sporting or recreational organisation. Hence an annual rent of \$26,000 (plus GST) is payable.
 - (3) The permitted uses are "Community and Sporting Club Facilities, Tourist Facilities and Services and Access".
 - (4) No particular conditions limit the club's operations to non-profit recreational activities. However, conditions attaching to the lease require the lessee to use the leased land only for the specified permitted uses; and to comply with the requirements of all statutes regulations or by-laws and requirements of all relevant public and local authorities.
 - (5) Woollahra Municipal Council is in the process of compulsorily acquiring Crown land within Trumper Park (3,262 square metres) to the south-west of the bowling club lease for the purpose of public road. Dedication and construction of this road by Council will facilitate permanent public access to Trumper Park, the Palms Tennis Courts and Paddington Community Garden.
 - (6) No further action is contemplated as the conditions and the specified permitted uses limit the type of acceptable activities. Any change would require my consent, as Minister administering the Crown Lands Act 1989.
