LEGISLATIVE ASSEMBLY QUESTIONS AND ANSWERS  
Monday 25 March 2013

19 FEBRUARY 2013

(Paper No. 133)

\*3302 COMMUNITY BUILDING PARTNERSHIPS GRANTS—Mr Clayton Barr asked the Premier, and Minister for Western Sydney—

With regard to Community Building Partnerships Grants:

- (1) In 2011 were 100% of funds available fully committed in every electorate?
- (2) Were any funds returned or unclaimed in the 2009 and/or 2010 versions of the scheme?
- (3) What happens to returned or unused funds?
- (4) In 2013, will the electorate of Cessnock be eligible for the additional \$100,000 funding as per the criteria?

Answer—

I am advised:

- (1) Around one-third of electorates did not use up the full allocation available to them. Typically, the unallocated funds in electorates were for very small amounts of less than \$100. The unallocated funds in electorates were insufficient to be usefully reallocated to additional or alternative projects.
- (2) In the Community Building Partnership programs for 2009, 2010 and 2011 grants were offered to a total of 4,375 projects. At present, 16 of these have been unable to proceed and the grant offers have been withdrawn or surrendered.
- (3) Funds may be returned for CBP grant offers where the offer is surrendered or withdrawn or where under-expenditure arises in a completed project. Where possible funds from surrendered or terminated grants may be available to be offered to alternative projects or to increase offers to partially funded projects. The Local Member of Parliament is consulted on options including an offer to a previously unsuccessful project or to provide additional funds to a project in that round previously offered partial funding.
- (4) Yes.

\*3303 PARRAMASALA FESTIVAL—Mr Guy Zangari asked the Minister for Tourism, Major Events, Hospitality and Racing, and Minister for the Arts—

- (1) What was the level of funding to the Parramasala Festival in 2011?
- (2) What was the level of funding to the Parramasala Festival in 2012?

Answer—

- (1) All investments by Destination NSW in events are commercial-in-confidence, which allows the organisation to bid for events in a competitive market.
- (2) As above.
