* 2185 **DISABILITY INCLUSION—SYSTEMIC DISABILITY ADVOCACY FUNDING**—Ms Abigail Boyd to ask the Minister for Climate Change, Minister for Energy, Minister for the Environment, and Minister for Heritage representing the Minister for Families and Communities, and Minister for Disability Inclusion—

- (1) In relation to Systemic Disability Advocacy funding under the Disability Advocacy Futures Program established in January 2022, what is the status of the rollout of this funding?
 - (a) Which organisations or service providers have received funding under this program to date?
 - (b) How much has each of those organisations or service providers been given, broken down by calendar year?
 - (c) For how many years is funding in place for each of these organisations?
 - (i) If there is an end date for the Government's funding commitment to these organisations, what is the process for those organisations obtaining future government funding for systemic advocacy work?
- (2) How do the organisations and service providers given funding under the Disability Advocacy Futures Program report to the government on how that money has been spent?
 - (a) How does the Government ensure that this funding is being spent by the organisation or service provider for systemic advocacy purposes only?

Answer—

I am advised:

- (1) The rollout of Systemic Disability Advocacy, which is one element of the Disability Advocacy Futures Program (DAFP), is complete. The Program continues to be funded in accordance with the recommendations of the 2019 review into advocacy services conducted by the NSW Ageing and Disability Commissioner.

(a) and (b)

	\$1,608,559	\$3,243,776	\$3,243,776	\$8,096,111

Note: total funding amounts are provided rather than funding amounts for individual organisations to respect the commercial sensitivity of this information.

- (c) On 21 March 2024, the Minister for Disability Inclusion announced that all DAFP service providers will have their funding extended for a further two years to 30 June 2026.
- (c)

- (i) It is anticipated a recommissioning process will be undertaken prior to the end of current contracts.
- (2), (a) Organisations are required to comply with the conditions of their contracts which includes the provision of six-monthly reports.
- The Department of Communities and Justice has developed an outcome and reporting framework in collaboration with service providers which is soon to be introduced. DAFP funded organisations are also required to submit annual financial accountability information for the funding provided.
- * 2186 ENERGY—COAL AND GAS DATA—Ms Cate Faehrmann to ask the Minister for Climate Change, Minister for Energy, Minister for the Environment, and Minister for Heritage—
- (1) Could you please list the names of all major gas supply projects projected to supply one petajoule or more of gas per annum to New South Wales that have been modelled and included in the latest data uploaded to the [NSW Net Zero Emissions Dashboard](#) on the Government's SEED website in April 2024?
- (2) Have projected greenhouse gas emissions for the Narrabri Gas Project been included in the latest model run uploaded to the Government's SEED website in April 2024?
- (a) If so, could you please list the annual quantity of greenhouse gas emissions included in the modelling from this project for all years the project will be operational?
- (b) If so, could you please provide an annual breakdown of greenhouse gas emissions of the project by scope?
- (3) Have projected greenhouse gas emissions from the importation of gas to New South Wales from Squadron Energy's 'Port Kembla Energy Terminal' been included in the latest model run uploaded to the Government's SEED website in April 2024?
- (a) If so, could you please list the annual quantity of greenhouse gas emissions included in the modelling from this project for all years the project will be operational?
- (b) If so, could you please provide an annual breakdown of greenhouse gas emissions of the project by scope?
- (4) Minister Sharpe's answer no. 42 on 7 March 2024 to Supplementary Questions, Budget Estimates suggests that 18 coal mine extensions or expansions currently in the NSW Planning Portal had been included in the modelling. Could you please list the names of all coal projects that have not yet been determined, including expansion or extension projects included in the modelling?
- (a) Could you please list the annual quantity of greenhouse gas emissions included in the modelling from all of the proposed individual coal mine expansions or extensions for all years that these individual projects will be operational?
- (i) Could you please provide an annual breakdown of greenhouse gas emissions for each of these projects by scope?

Answer—

- (1) The Narrabri Gas Project.
- (2) Yes.
- (a) The annual quantity of scope 1 and 2 greenhouse gas emissions included in the modelling from this project for all years the project will be operational ranges between 0.39 and 0.49 million tonnes of carbon dioxide equivalent (Mt CO₂-e) annually between the 2026–27 and 2049–50 financial years.
- (b) Scope 1 emissions range between 0.29 and 0.39 Mt CO₂-e annually between the 2026–27 and 2049–50 financial years. Scope 2 emissions range between 0.01 and 0.17 Mt CO₂-e annually between the 2026–27 and 2049–50 financial years.
- (3) Yes.

- (a) The annual quantity of scope 1 and 2 greenhouse gas emissions included in the modelling from this project for all years the project will be operational ranges between 0.01 and 0.04 Mt CO₂-e annually between the 2025–26 and 2049–50 financial years.
- (b) Scope 1 emissions range between 0.01 and 0.04 Mt CO₂-e annually between the 2025–26 and 2049–50 financial years. There are no scope 2 emissions projected for the project.
- (4) The following is a list of the names of all coal projects that have not yet been determined but have been included in the 2023 modelling update:
- Moolarben Open Cut 3 State Significant Development (SSD)
 - Hunter Valley Operations North SSD
 - Hunter Valley Operations South SSD
 - Chain Valley SSD
 - Newstan SSD
 - Mount Arthur Modification 2
 - Angus Place West SSD

The following is a list of the names of all coal projects that have not yet been determined and have not been included in the 2023 modelling update but will be included in the 2024 modelling update. Emissions from the following existing operations, as currently approved, have been included in the 2023 modelling update.

- Glendell Modification 5
 - Rix's Creek North SSD
 - Ulan Modification 6
 - Bloomfield Modification 5
 - Clarence Modification 8
 - Maules Creek SSD
 - Wilpinjong Modification 3
 - Mount Pleasant Modification 7
 - Russell Vale Modification 2
 - Tahmoor South Modification 3
 - Metropolitan Modification 4
- (a) The annual quantity of scope 1 and 2 greenhouse gas emissions from the projects included in the modelling ranges between 0.31 and 2.83 Mt CO₂-e annually between the 2022–23 and 2049–50 financial years.
- (i) Scope 1 emissions range between 2.5 and 0.3 Mt CO₂-e annually between the 2022–23 and 2049–50 financial years. Scope 2 emissions range between 0.4 to below 0.01 Mt CO₂-e annually between the 2022–23 and 2049–50 financial years. The end date varies by operation.

* 2187 HEALTH—EARLY DRUG DIVERSION INITIATIVE—Ms Cate Faehrmann to ask the Minister for Finance, Minister for Domestic Manufacturing and Government Procurement, and Minister for Natural Resources representing the Minister for Health, Minister for Regional Health, and Minister for the Illawarra and the South Coast—

- (1) Since the Early Drug Diversion Initiative came into effect on 29 February 2024, how many calls has the Alcohol and Drug Information Service received from those diverted into the program?
- (a) How many people have completed an appointment with a nominated health professional over the phone?

- (2) What is the procedure the Alcohol and Drug Information Service follows to verify that the person participating in the appointment over the phone is the same person who was originally diverted by NSW Police to the program?

Answer—

I'm advised:

Between 29 February and 24 May 2024 there have been 25 completed health interventions.

People who access the health intervention provided by St Vincent's Health Network are required to provide:

- fine notice number
- first and middle names
- last name
- postcode
- date of birth.

This information is submitted to Revenue NSW for validation to finalise the fine. Revenue NSW has processes in place to match data securely and confidentially to fine information through the NSW Police information system.

* 2188 POLICE AND COUNTER-TERRORISM—EARLY DRUG DIVERSION INITIATIVE REFERRALS—Ms Cate Faehrmann to ask the Minister for Agriculture, Minister for Regional New South Wales, and Minister for Western New South Wales representing the Minister for Police and Counter-terrorism, and Minister for the Hunter—

- (1) How many people have been diverted into the Early Drug Diversion Initiative by NSW Police since the program came into effect on 29 February 2024?
- (a) How many people diverted into the program have paid the \$400 fine?
- (b) Of those diverted into the program, could you please provide a breakdown of drug type and Indigenous status?
- (2) How many people in New South Wales have been charged with low level drug possession instead of being diverted into the Early Drug Diversion Initiative since 29 February 2024?
- (a) Could you please provide a breakdown of drug type and Indigenous status?
- (3) How many people in New South Wales have been charged with low level drug possession in the six months prior to 29 February 2024?
- (a) Could you please provide a breakdown of drug type and Indigenous status?
- (4) What are the NSW Police criteria used to decide if a person is diverted into the program rather than being charged with a low level drug-related offence?

Answer—

I am advised:

- (1) 275.
- (a) This question should be directed to the Minister for Finance as the Minister responsible for Revenue NSW.
- (b) Cannabis - 23
Cocaine-99
Drug Implement - 9
Gamma Hydroxybutyrate (GHB)/Related Compound - 1
Heroin - 7

LSD - 4
 MOMA (Ecstasy) - 62
 Methyl/Amphetamine - 60
 NPS (Synthetic Cannabis) - 1
 Other Drug - 15
 Pharmaceutical Drug - 4

Of the 275 individuals diverted, 20 identified as Indigenous.

Note: The sum of figures in 1 (b) does not equal the number of people diverted into the Early Drug Diversion Initiative as individuals may have been found in possession of multiple different drug types in relation to a matter. Data extracted: 24/05/2024.

(2) 3,404.

(a) Cannabis - 1,602
 Cannabis Plant - 43
 Cocaine - 258
 Counterfeit Drug - 1
 Drug Implement - 79
 Gamma Hydroxybutyrate(GHB)/Related Compound - 190
 Heroin - 191
 LSD-12
 MOMA (Ecstasy) - 159
 Methadone - 20
 Methyl/Amphetamine - 1,247
 NPS (Synthetic Cannabis)- 4
 NPS (Synthetic Other) - 4
 Opium -14
 Other Drug - 149
 Pharmaceutical Drug -251
 Precursor - 1
 Steroid - 36
 Unknown-1
 Vaccine - 1

Of the 3,404 individuals issued a Court Attendance Notice (CAN), 626 identified as Indigenous.

Note: The sum of figures in 2(a) does not equal the number of people issued a CAN as individuals may have been found in possession of multiple different drug types in relation to a matter. Data extracted: 24/05/2024.

(3) 7,757

(a) Cannabis - 3,545
 Cannabis Plant - 99
 Cocaine - 919
 Counterfeit Drug - 1

Drug Implement - 198
 Gamma Hydroxybutyrate(GHB)/Related Compound - 386
 Heroin -342
 LSD-50
 MOMA (Ecstasy) - 451
 Methadone - 43
 Methyl/Amphetamine - 2,626
 NPS (Synthetic Cannabis)- 5
 NPS (Synthetic Other) - 1
 Opium-26
 Other Drug - 375
 Pharmaceutical Drug -557
 Precursor - 7
 Steroid - 83
 Unknown-2

Of the 7,757 individuals charged, 1,448 identified as Indigenous.

The sum of figures in 3(a) does not equal the number of people issued a CAN as individuals may have been found in possession of multiple different drug types in relation to a matter. Data extracted: 24/05/2024.

- (4) The Early Drug Diversion Initiative applies to people who were issued with a fine for a first or second eligible low-level drug offence. The Early Drug Diversion Initiative is not drug decriminalisation and it is still an offence to possess and use illicit drugs in NSW. Police retain discretion in all cases to charge a person and issue a notice to attend court.
