

Inquiry into managing information related to donor conception

Terms of Reference

That the Committee inquire into and report on the management of information related to donor conception in NSW, with particular regard to:

- a) whether people conceived by donor conception prior to January 2010 should have access to donor conception information, including information that identifies their donor and donor conceived siblings.
- b) which agency should manage donor conception information and provide services related to the release of this information.
- c) what counselling or support services and public education measures are necessary to support people who are seeking access to donor conception information.
- d) any other relevant matter.
