Dear Ms Voltz

I refer to the appearance of Infrastructure NSW at the Legislative Assembly Committee on Transport and Infrastructure hearing into the Sydney Metro West project on 13 October 2023.

I would like to provide one clarification on the evidence provided. It is on page 50 (page 3 of our excerpt) of the transcript as below:

RENE BURKART: Chair, neither of us were with Infrastructure NSW at the time that the summary was prepared.

To clarify, neither myself nor Ms Lonergan were in our current roles at Infrastructure NSW at the time that the business case summary was prepared. However, we were both employed at Infrastructure NSW in other roles at that time.

If further information is required, please contact [REDACTED] on [REDACTED] or [REDACTED]

Yours sincerely

[REDACTED]

Rene Burkart
