Dear Sir*

*I have been instructed by the
above organization to write to you in regards to
the inquiry into infrastructure provision in coastal
growth areas*

*Our branch is in a position of growing membership,
we have almost outgrown our meeting venue. As there
is no public halls of medium size we will have to pay
a very substantial increase in hiring fee and as our
branch has a very limited means of raising funds*

*Trusting your inquiry make able to
see our problem as a problem that many small
organization face in the future*

*Yours faithfully
C B Bowden President*
