OPTIONS FOR ESSENTIAL WORKER HOUSING IN NEW SOUTH WALES

Name: Mr Jayden Edwards

Date Received: 7 September 2024

Upon arrival at Warren ambulance station in July of 2023, I was faced with the task of organising my own accommodation after being posted to this area. I had to accommodate myself in my car, utilising ambulance station amenities for 4 months before I was able to purchase a property to live. At the time there were no rental opportunities and I was forced to purchase a home to have somewhere to live. NSW health made 0 attempts to facilitate accommodation with frequent advice given to just move in with another paramedic.
