RECOMMENDATIONS RELATING TO CROSS-JURISDICTIONAL HEALTH
REFORM AND GOVERNMENT CONSULTATION WITH REMOTE, RURAL AND

I

I am a cancer survivor at the moment (Prostate). We do not have a doctor in our town of 2500 people. It is vitally important for me to have a doctor close at hand to monitor my progress and provide referrals to my urologist located 130kms away. It is also important for a doctor to be present to provide script renewal. The closest town Mudgee has closed their books to new patients

We need a doctor for Gulgong NSW

Regards

Gordon
