**THE IMPLEMENTATION OF PORTFOLIO COMMITTEE No. 2
RECOMMENDATIONS RELATING TO CROSS-JURISDICTIONAL HEALTH
REFORM AND GOVERNMENT CONSULTATION WITH REMOTE, RURAL AND
REGIONAL COMMUNITIES**

Name: Mrs Toni Morrison

Date Received: 1 November 2024

Regional towns like Gulgong NSW need doctors NOW and should not have to fight for acceptable health care for our community. My husband is a pensioner and kidney transplant patient and is in need of constant medical attention. We find it difficult and expensive to travel outside our local area to seek the medical attention he should be able to source locally. I find the state of the NSW health system deplorable. Get doctors back to Gulgong and regional areas.
