REVIEW OF THE GREATER SYDNEY PARKLANDS TRUST ACT 2022

Name: Mr Roger Fenton

Date Received: 31 January 2025

As a resident of Balmain and a keen walker I prize the natural environment in this region. In particular the open natural space afforded by Callan Park. I am concerned that in the current housing crisis there will be a move to annex parts of the grounds of Callan Park for housing and commercial uses which would be an irreversible loss of amenity in the inner west . The open grounds of Callan Park should be preserved with no nibbling around the edges
