REVIEW OF THE GREATER SYDNEY PARKLANDS TRUST ACT 2022

Name: Ms Dinah McClelland

Date Received: 31 January 2025

It is vital that Callan Park remain free of commercial enterprises. It is the perfect venue for not-for-profit organisations, especially those relating to mental health. The grounds were planted with mental health in mind. The Callan Park (Special Provisions) Act 2002 No139 must remain intact. This park is an asset to the Inner West area which has the second lowest area of green space per capita in Sydney. I would urge the review panel to support the points I have made and not allow commercialisation of the park.
