Chair,
Standing Committee on Social Issues

Re: Inquiry into Gay and Transgender Hate Crimes between 1970 and 2000

Good morning Mr Mallard,

In response to my questions on notice:

The matters my friend Duncan McNab and I were concerned with in the investigation into the suspicious disappearance of Simon Knight include the refusal of the then Detective Superintendent to allow forensic investigation of Simon's bedroom owing to the cost of \$1200 and the refusal of the then Coordinator of the Unsolved Homicide Team, Detective Chief Inspector to have Simon's matter investigated by the Unsolved Homicide Team.

Yours sincerely

Peter Rolfe
