**Subject:** Correction/clarification of Budget Estimates hearing transcript

I write to advise of a correction and a clarification that is required to evidence given by myself at the Budget Estimates hearing for Legislative Council Portfolio Committee No.4 – Industry, on 2 March 2020

***Clarification of figure stated***

The following statement is recorded on page 56 of the uncorrected transcript:

Mr HANSEN: That is to date in this financial year. Financial year 2018-19 is \$321.75 million. Before that there was \$28.84 million approved.

This should be amended to:

***Clarification of date stated***

The following sentence is recorded on page 58 of the uncorrected transcript:

Mr HANSEN: Our mail went out on 13 January to all those people. I just do not know whether they have all responded back.

This should be amended to:
