- Post-hearing responses - 28 June 2024

Hello,

My apologies, I did not realise this question was critical to the committee. I responded that we were approximately the same as Warren.

If this information is considered to be critical I can follow up, however, just trying to save everyone some time and energy.

Let me know what you prefer. I'm happy for you to adjust my answer to simply say "Narromine are similar to Warren."

Thanks

**Regards**
