INQUIRY INTO THE ABILITY OF LOCAL GOVERNMENTS TO FUND INFRASTRUCTURE AND SERVICES POST-HEARING RESPONSES, QUESTIONS ON NOTICE – BRIAN JENKINS – TUESDAY, 30 JULY 2024

Questions on Notice

The CHAIR: How much does council currently have in restricted funds?

BRIAN JENKINS: I might need to take that one on notice, I'm afraid.

The CHAIR: You may then need to take some of the next couple on notice as well. How much of that is allocated to existing or future projects?

GREG DOYLE: I would be happy to take those questions on notice, Chair.

Response

At 30 June 2024, Wollongong City Council held \$179M in restricted funds, \$87M in Externally Restricted Assets and \$92M in Internally Restricted Assets.

I do not have any variation to the transcript.
