

Question taken on notice

The Hon. CHRIS RATH: Have any concerns been raised with your office or any referrals about the Local Small Commitments Allocations?

BOLA OYETUNJI: I'll just check with my deputy.

CLAUDIA MIGOTTO: I'm not aware of a specific referral about that grants program, but I'd be happy to take that on notice because we do get a volume of requests and referrals through a number of channels. I'd be happy to check that, but it's not currently a focus for any of our current work

Answer: The Audit Office of NSW has not received any correspondence in regards to the Local Small Commitments Allocations.
