Re: Budget Estimates Hearing – Correction to Hearing Transcript

Dear Budget Estimates Secretariat,

I have reviewed the evidence given in the Hearing Transcript for Budget Estimates - Corrections, Better Regulation and Fair Trading, Industry and Trade, Innovation, Science and Technology, Building on Tuesday 10 September 2024.

I would like for a correction to be made in relation to the following statement:

Page 33

REBECCA McPHEE: No, that's within the Premier's Department budget.

My evidence was incorrect – Investment NSW's budget is included under the Department of Enterprise, Investment and Trade in Budget Paper 2, as the *Administrative Arrangements (Administrative Changes – Miscellaneous) Order (No 2) 2024* amending the *Administrative Arrangements (58th Parliament) Order 2023* to transfer Investment NSW from the Department of Enterprise, Investment and Trade to the Premier's Department did not come into effect until 1 July 2024.

Yours sincerely,

Rebecca McPhee
Deputy Secretary, Investment NSW
