

CMT24/484

QUESTION ON NOTICE: – Select Committee on the proposal to develop Rosehill Racecourse

ASKED: 12/09/2024

DUE: 11/10/2024

QUESTION

The Hon. Mark Latham MLC to the Ms Karen Jones, Chief Executive, Office of Sport:

- 1) That meeting on 2 February raised some issues about the gas pipeline. What does that involve?

ANSWER

- 1) Part of the Jemena high pressure gas network passes in a north-east/southwest direction below the ground level through the Sydney International Equestrian Centre.

The presence of all underground utilities in NSW can typically be established through the "Dial Before You Dig" online process and confirmed by detailed service location surveys. Any potential impacts associated with the development under consideration can then be managed in consultation with the relevant utility owner.

Sincerely,

Adam Berry
A/Chief Executive
Office of Sport
