The Hon. NATALIE WARD: Is it correct that only two fines have been issued for e-scooter use during the trials?

ANNA BRADLEY: I'd have to take that question on notice, apologies. I don't have that data in front of me.

ANSWER

As at 3 December 2024, 48 infringement notices were issued to riders of shared e-scooters in designated shared e-scooter trial sites during the trial periods.

Note: Data to 31 October 2024 is provided where trial periods are ongoing.
