Subject: RE: Inquiry into the management of cat populations in New South Wales - Extension for post-hearing response - Australian Pet Welfare Foundation
Attachments:

Hello,
I have also attached some PDFs of talks related to the yellow highlighted section in the transcript.
There is also a link to the talk I did at the Animal Justice Party conference in 2023 and the PDF of the slides is the file Rand Myth Cats Wildlife

Let me know if you have any questions or cannot access this file.
Kind regards,

Jacquie
