Dear Casey

DUBBO INDOOR MULTISPORT FACILITY AND REGIONAL SPORTS INFRASTRUCTURE FUND - \$9.3M GRANT ALLOCATION

Council, at its meeting held Monday 10 February 2020, considered the Dubbo Indoor Multisport Facility status and future direction. It unanimously resolved that Council will formally withdraw from the Regional Sports Infrastructure Fund agreement by executing a revocation document.

This follows a January 2020 workshop where it was agreed by all parties that Charles Sturt University and Police Citizens Youth Club (PCYC) be able to progress this important initiative through improved governance and leasing tenure arrangements.

Council remains committed to liaising with sports groups and other stakeholders and advocating for and expressing interests related to the scope and operation of a facility, in particular the development of the originally proposed full scoped stadium and Western Institute of Sport.

Can you please forward the funding deed revocation document for Council's execution?

Council also respectfully requests that the \$9.3M Regional Sports Infrastructure Fund monies be quarantined for the Dubbo Indoor Multi-Sport Facility and disbursed.

Yours faithfully

Michael McMahon
