Hi Teneale,
Thank you for this information.

Additional information taken on notice:

- A paper that showcases pharmacists screening for social isolation and loneliness - <https://www.improve.health/success-stories/addressing-social-isolation/>

Additional evidence attached:

- An example of a patient education flyer on loneliness - created by PALS in partnership with the Pharmaceutical Society of Australia
- An example of flyers and posters created by PALS to raise awareness of loneliness in community pharmacies
- A link to the World First Pharmacist Training Program on Loneliness - <https://palsglobalnetwork.com/pharmacy-training/>

Can you please confirm that you have received this email.
Please also let me know if you require anything else?

Kind regards,
Jenny
