Dear

I write to you in regards to your correspondence dated Friday 10 March 2023 requesting support for a community hall located on the top of the car park on Rowe Street, Eastwood.

I am pleased to inform you that, if elected on March 25 2023, a Minns Labor Government will fund the planning work needed for council to start the construction of a new cultural centre in Eastwood on the car park site.

We will invest \$400,000 to ensure planning can get underway for the new centre. This work will allow for the change in the zoning height of the site, needed for construction.

It is so important that we celebrate and honour the many cultures that make up our vibrant community, including our fantastic Korean community.

I love our community, every one of us deserves to be treated with dignity and respect. Labor's commitment to build a cultural centre in the heart of Eastwood will enhance Eastwood's reputation as a bustling community for residents and visitors to enjoy.

I look forward to working with the community to help deliver this vital community project.

Yours sincerely
