Good morning Teneale,

Thank you for providing the questions on notice, and the instructions on correcting the transcript and providing answers.

Transcript corrections

Please note that as per our branding, each word in 'The Welcome Experience' is always capitalised. As such the references to the program on pages 23, 24, and 25 should be changed from 'the Welcome Experience' to 'The Welcome Experience'. References to Local Connectors should also be capitalised where they appear on pages 23, 24, 26 and 27. Please see the attached document titled "Corrections - paragraph and line references" for specific instances to be corrected.

Answers to Questions on Notice

Please see the attached documents for our answers to the questions on notice.

Additional information

Please note that I misspoke when discussing the locations of RDA Orana's Local Connectors (pg. 27) There is no Local Connector in Mudgee, the Local Connector is based in Dubbo – this has been confirmed in the answer document attached.

Kind regards,

Josie
