**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Name:** Dr Naveed Shaukat

**Date received:** 24/02/2009

---

Please no sell off. We want fairness for inmates rights, workers rights, and accountability rather than cost saving exercise costing jobs and hardship for families of staff. There is no guarantee that selloff will save you in the longterm. I am against privatisation of prisons already doing a great service.
