**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Name suppressed
Date received: 24/02/2009

Partially Confidential

I object to all prisons being run for profit, to losing transparency and accountability, to job losses in the community, to putting staff and inmates in an even more dangerous situation.

Prisons should stay as Government run institutions. If the states prisons are all sold off, then what guarentees does the general public have of a safe and accountable criminal system within the state.

I am saying no to prison sell off and privatisation. Our prisons systems are about reform in a progressive direction, not a negative, non-active direction. How are people supposed to achieve the proper rehabilitation that they need under a private corporate system, none!
