Given there is approximately 1% of the Australian Population allowed to commercially fish to provide seafood for approximately 78% of the population who do not fish recreationally do you agree that there is a major management issue in providing local seafood to local communities in NSW?(Yes) / No

Your views: Not Enough Local Product
for Elderly Working People Who Do
Not Have Time to Fish.

Of the Resources.

Further Comments.

Our Industry Should Not Be for Sale
to Oversea Investors.

The Future will be sold off We will
have No Australian Owned Fishing
Business Left
Original Owner.

Remember to attach correspondence you have sent to DPI, or the Minister,

If This Reform goes through I feel that Overseas Investment will buy the Majority of shares in this Industry which would then be Majority Owned and ruled from Oversea and Not many Australian Business will exist any more in N.S.W.

P.s. "This has already Started."

If the Original People own this Countrys Resources how can this be allowed to be sold off without our permission.

Also

Recreational Fishing Havens and Marine Parks in our Region 7 are not being Addressed.

We have been serverly Affected by Access Issues. These need to be looked at.

How do this Apply to Original ~~Owners~~?
Owners?
