Confidential

Kyeemagh Public School has no music curriculum and if we're the only one, why not?

However if we're not utilising all the musicians and teachers throughout new south wales to share and teach musi to these young minds that cam soak skills of music to develop themselves why not? All primary age students must be primed to know music skills from singing dancing to playing instruments as part of the major curriculum.

Please consider providing music to all kids as sports as creatives.
