

**INQUIRY INTO USE OF E-SCOOTERS, E-BIKES AND
RELATED MOBILITY OPTIONS**

Name: Name suppressed

Date Received: 8 July 2024

Partially
Confidential

I hereby formally submit a request to Parliament, as a wheelchair user who lives in a suburb where these bikes are extremely prevalent and a huge nuisance, that they be banned, and the companies who own them are fined for improper use and leaving their bikes in entirely inappropriate places! They are a blight on the landscape!
