The public toilets in Sydney CBD are inadequate and unsuitable for older people to use. Public toilets available in Sydney CBD (those ugly cylindrical toilets). Are hard to locate, dirty, smelly, lacks privacy, difficult to move in and out of. Many elderly people now avoid visiting Sydney as a result. The public toilet at Barangaroo next to the pool is fantastic and easy to access. Please an we have more public toilets like that. We used to have great public toilets in Hyde Park years ago, easy to access, always clean, staffed for safety and cleanliness. Why did we get rid of them? Please bring them back. Thank you.
