## INQUIRY INTO 2024 ANNUAL REPORT OF THE NET ZERO COMMISSION

**Organisation:** Nimbin Environment Centre

**Date Received:** 6 February 2025

---

Dear decision makers, We at the Environment Centre also represent the Northern Rivers Guardians , Inc . (I am President of both organisations.) The targets for reduction of fossil fuel emissions is vital for the chance to reduce damage due to climate change . All levels of government need to stop shielding polluters from actions which could reduce emissions . The costs to our world include destructive storms, heat, drought and fires. We are all in this together. Please be wise, not corrupt.
