## **INQUIRY INTO 2024 ANNUAL REPORT OF THE NET ZERO COMMISSION**

**Name:** Henry Schneebeili

**Date Received:** 12 February 2025

---

I agree with the points Lock the Gate are making.

We need to get away from fossil fuels as fast as possible, as it is the cause of manmade climate change. With over 8 billion people, we are using the resources of our descendants fast. Earth has finite resources. A warmer climate reduces average farm yields, when even more people want to eat. If you have children, think about it.
