**INQUIRY INTO IMPACTS OF HARMFUL PORNOGRAPHY
ON MENTAL, EMOTIONAL, AND PHYSICAL HEALTH**

Name: Mr Giuseppe Maiolo

Date Received: 23 August 2024

Access to pornography must to the best of our collective ability be completely banned from being accessed by minors.

All forms of violent and misogynistic pornography must be banned. It normalises violence against women and girls. The rise in domestic violence nation wide is made worse by violent pornography. Total banning is necessary.of violent pornography.

Our society at every level needs to ask why should any type pornography be accepted as positive or normal.

Parliamentarians please consider during the NSW Enquiry into the damaging effects of pornography on the physical, mental and emotional health of children and young people.

Please do what is right and just to protect our children, young adults and women from being damaged in any way by pornography.
